Values are more important than valuation.

A bank is more than just products and services. At Comerica, we believe corporate values are bigger than account features.

That's why diversity, equity and inclusion are embedded in our business strategy, celebrated among our colleagues, and extended to our community and business partners. That's how we're raising expectations of what a bank can be.

Plano AsiaFest 2023

2023 marks the nineteenth Plano AsiaFest. Over the course of the past 19 years, Plano AsiaFest has become one of the largest Asian American Heritage Festivals in the region.

The success of this festival would not have been possible without the many talented members of the community creating the stage performances, the legions of volunteers from area businesses, PISD and other area school districts, the cultural and business booth vendors, and the food vendors.

In particular, we are grateful for the continued support of the Mayor of Plano and the members of the Plano City Council, the Plano Cultural Affairs Commission, and our sponsors who make this event possible.

Last but not least, we want to thank the visitors to Plano AsiaFest. We hope you enjoy the Festival and we invite you to join us by becoming sponsors, volunteers and booth participants in the future.
